

**GIFT COMES TO IPSWICH
SATURDAY MASTERCLASSES**

CURRICULUM EXTENSION FOR THE EXCEPTIONALLY ABLE

GIFT, providers of internationally-renowned enrichment courses, have organised a series of Saturday Masterclasses at the request of local parents and schools. The venue will be **St. Joseph's College, Primary Department, Belstead Rd., Ipswich, Suffolk IP2 9DR**. Projects are aimed at National Curriculum Years 5/6.

13th March 2010

9.30 - 3.30

Kaleidoscopic!

Code O17

Years 5/6

A kaleidoscope is a tube through which are seen symmetrical figures, produced by reflections of pieces of coloured glass and varied by rotation of the tube. How and why does it work? You'll explore the physics of the kaleidoscope and when that's been mastered, you'll make one! Kaleidoscopic!

Students will work in small groups, so places will be strictly limited and dealt with on a first come, first served basis. They should bring a packed lunch and normal writing equipment. Any special medical information should accompany the application slip on a separate sheet. The cost is £38.00 for each Saturday. Meet in the Primary School Reception!

Thanks to the generosity and support of *John Lyon's Charity* and the *Tomorrow's Achievers Initiative* of the *Gabbitas, Truman, and Thring Educational Trust*, **SPONSORSHIP** is available where there is financial hardship (phone Patricia Morse on 0207 734 0161).

For a booking form either telephone Janet Cummins on the number above or write to her at Janet Cummins, Gabbitas Consultants, Carrington House, 126 Regent St., London W1R 6EE or apply direct online at <http://www.masterclasses.co.uk/forms/AppForm0708.doc>

Queries on course content only can be directed to Julian Whybra of GIFT Ltd., on 01277 654228.
