

# GIFT COMES TO TATE BRITAIN

## MASTERCLASSES FOR THE EXCEPTIONALLY ABLE

**GIFT**, providers of internationally-renowned enrichment courses, have organised a series of stand alone Masterclasses at the request of local parents and schools. The venue will be the **Tate Britain Gallery, Millbank, Pimlico, London SW1**. The projects are aimed at National Curriculum Years 5/6 and 7-11 and based in **creative sketchbook art**, the **history of art**, and **creative writing with art as a stimulus**. Course details will be sent upon receipt of application.

**Sat 16<sup>th</sup> October or Sun 14<sup>th</sup> November or Sat 4<sup>th</sup> December 2010**

**10.00 - 3.30**

**On the Horizon: An Escape into Landscape**      **Code W24**      **Years 7-11**

This exciting day at Tate Britain will explore landscapes, cityscapes and seascapes. Using works by the artists J. W. M. Turner and John Constable, you'll explore the nature of landscape. How did these artists paint the weather, seasons and create idyllic landscapes, especially in the romantic era of painting? Why did Constable continually address the theme of man versus nature and science versus God (creation). We'll also look at contemporary cityscapes and how some artists use photography to address the same themes as Constable did 250 years earlier. Recording some of these techniques in your sketchbooks, you will create a cityscape en plein air alongside the Thames and use watercolour washes back at the Tate. Bring an A4 sketchbook.

**Sun 17<sup>th</sup> October or Sat 13<sup>th</sup> November or Sun 5<sup>th</sup> December 2010**

**10.00 - 3.30**

**Portraits through History**      **Code R21**      **Years 7-11**

This project, held at the Tate Britain Gallery, Pimlico, looks at portraits through history, from Tudor splendour to the present day. Why did the Elizabethans rarely smile and keep curtains in front of their paintings? Identify the Paris Hilton of the 1500s! Create several versions of your own self-portraits by 'translating' 3D to 2D and understand why experimentation and the artist have become more important than the portrait itself! Please bring along your own sketchbook (at least A4 in size).

**Sun 28<sup>th</sup> November or Sat 11<sup>th</sup> December 2010**

**10.00 - 3.30**

**Ready, Steady, Sketch**      **Code D21**      **Years 7-11**

This project will involve the use of your sketchbook as a place for collecting your thoughts and imagination. You will need to observe, think, develop ideas, analyse works of art, and record personal responses in your own sketchbook. You'll also have the chance to see the original Sketchbooks of the famous Joseph Mallord William Turner (1775-1851) and you'll be surprised at exactly what he put in them. You'll need to bring your own sketchbook (at least A4 in size).

**Sunday 7<sup>th</sup> November or Saturday 27<sup>th</sup> November 2010**

**10.00 - 3.30**

**The Language of Art or the Art of Language**      **Code C21**      **Years 7-11**

This project uses the contemporary and historical art collections at the Tate Britain to stimulate creative writing. From abstract poetry to the invention of characters for your Elizabethan soap opera, your imagination will be unleashed.
