

**GIFT COMES TO SUFFOLK
SATURDAY MASTERCLASSES**

CURRICULUM EXTENSION FOR THE EXCEPTIONALLY ABLE

GIFT, providers of internationally-renowned enrichment courses, have organised a series of Saturday Masterclasses at the request of local parents and schools. The venue will be **Holbrook Primary School, The Street, Holbrook, Suffolk IP9 2PZ**. Projects are aimed at National Curriculum Years 3-6.

6th March 2010

9.30 - 3.30

Playing with Numbers

Code T14

Years 3/4

Explore the magic of numbers through mathematical challenges and games. Enjoy the fun of competing against your partner(s) and learn more than the basics of the power of numbers. P.S. Bring a calculator!

Rocket Technology

Code P8

Years 5/6

Wernher von Braun and Sergei Pavlovich Korolev, pioneers of the American and Russian space programmes respectively, both started by experimenting in their back gardens with toy rockets that they'd made when they were very young. That's how far they went. How far can you go?

Students will work in small groups, so places will be strictly limited and dealt with on a first come, first served basis. They should bring a packed lunch and normal writing equipment. Any special medical information should accompany the application slip on a separate sheet. The cost is £38.00 for each Saturday. Meet in the Primary School Reception!

Thanks to the generosity and support of *John Lyon's Charity* and the *Tomorrow's Achievers Initiative* of the *Gabbitas, Truman, and Thring Educational Trust*, **SPONSORSHIP** is available where there is financial hardship (phone Patricia Morse on 0207 734 0161).

For a booking form either telephone Janet Cummins on the number above or write to her at Janet Cummins, Gabbitas Consultants, Carrington House, 126 Regent St., London W1R 6EE or apply direct online at <http://www.masterclasses.co.uk/forms/AppForm0708.doc>

Queries on course content only can be directed to Julian Whybra of GIFT Ltd., on 01277 654228.
