GIFT COMES TO BUTTSBURY SATURDAY MASTERCLASSES

CURRICULUM EXTENSION FOR EXCEPTIONALLY ABLE CHILDREN

In response to parents' and schools' requests GIFT, providers of internationally-renowned enrichment courses, have organized another series of Saturday Masterclasses at **Buttsbury Junior School, Norsey View Drive, Billericay, Essex CM12 0QR**. Projects are aimed at National Curriculum Years 3/4 & 5/6.

Saturday 25th February 2012 **9.30 - 3.30**

Brilliant Breakfast Boxes! **Code P25** **Years 3/4**

Corn Flakes? Rice Krispies? Muesli? New Crunchy Weetamoo? This is a fun, mathematically-based design investigation that challenges you to explore and develop your understanding of space in three-dimensions. You are given the task of creating your own box designs for a new brand of cereal, which includes designing the most efficient dimensions for the box. You'll look in detail at the most efficient designs for cuboids to meet the given requirements and encouraged to explore alternative designs, such as cylinders!

Write Up **Code B3** **Years 5/6**

Spend a day completely involved with writing poems, plays and stories in a creative and exciting atmosphere. Experiment with new styles and strange ideas. This will be your chance to be inspired and motivated by films, books, music, and a few surprises.

Children will work in small groups, so places will be strictly limited. They should bring a packed lunch and normal writing equipment. Any special medical information should accompany the application slip on a separate sheet. The cost is £22.50 for each day. Reception is at the rear school entrance by the Small Hall. Parents: deliver children for a 9.30 a.m. start and collect at 3.30 p.m.
***Send the slip below and cheque (payable to Buttsbury Junior School) to*: Mr. V. Collier, GIFT Masterclasses, Buttsbury Junior School, Norsey View Drive, Billericay, Essex CM12 0QR. Booking enquiries can be made on 01277 623217. Confirmation of acceptance will be sent by the school.**
